Peace Works: Empowering the Next Generation of Peacemakers

Peace is a prayer for some and a life's work for others. It's a blessing we share with others and a longing within each of our hearts. Scripture is filled with the stories of peace and justice, and camp is the perfect place to share them. Peace isn't always easy, but it's always worth the effort because we know that peace works! All youth camps will be incorporating this theme into their programs. Check out our website bethanybeachcenter.org for more details.
